

Stud Service Contract

NOBEL NP37160301 Stud Service

BITCH OWNER AGREES TO:

1. Pay the agreed stud service fee before bitch is serviced. \$_____ with half due immediately as deposit on intent. The other half payable on date service to bitch has completed. Bitch owner is responsible for all collections & shipping fees. At the appropriate time the extracting veterinarian (Wilson's Vet) will call for credit card number.
2. Provide a picture and a 3 generation pedigree to stud owner before servicing.
3. Agree to provide stud dog owner a statement from a licensed veterinarian no later than 70 days after mating if no pregnancy results from mating. Failure to do so will result in no return service.
4. Keep bitch properly confined following breeding to ensure no other dog could mate her accidentally before mating season is finished.
5. Agrees to not knowingly sell or transfer puppies whelped as a result of this mating to any person or firm connected with the business of resale or wholesale of dogs.
6. If a return service is required, bitch owner is required to pay \$175.00 for shipping kit and shipping for return service as well as \$175.00 for each shipment required thereafter (shipping cost may vary depending on region).
7. Notify stud owner of first day of heat.

IMPORTANT CONTRACT INFORMATION: PLEASE READ!

We can ship fresh-chilled semen straight to your veterinarian. Cost will include stud fee and appropriate shipping costs. Semen shipped from us will be guaranteed to be alive and motile. *If for some reason your veterinarian does not approve of the semen quality, your female must not be inseminated with the semen and you must contact us the same day of receipt of semen to inform us so we may arrange another shipment or a refund. However, if your veterinarian inseminates your female with the semen, ALL guarantees from us are void and there will be no refund. Conception after live motile semen delivery is the sole responsibility of the female's owner and veterinarian. Accurate timing of the female's cycle and proper use of the semen is crucial for your success.*

STUD OWNER AGREES TO:

1. Provide bitch owner with a 3-generation pedigree of stud dog.
2. Have stud dog in good physical condition. Forward results of Hip Evaluation once provided by OFA.
3. Provide up to 3 semen extractions and shipping as requested by client.
4. Sign litter registration promptly and return to bitch owner.
5. Provide a return stud service of same dog to same bitch if no pregnancy results from mating at no charge.
6. To receive return service, bitch owner must provide stud dog owner a verification statement from a licensed veterinarian of the bitch's failure to conceive not more than 70 days following the mating. If stud is no longer available for whatever reason for return service, stud owner reserves the right to offer a different stud to bitch owner.
7. Provide bitch owner with a written receipt for stud service and a record of breeding dates.

OTHER CONDITIONS:

1. One puppy born alive or dead constitutes a litter.
2. If bitch fails to conceive on return service, this contract is terminated.

Guarantee

- All breeding's come with a guarantee of a live litter of one puppy or you will be given another breeding at no cost except for cost of shipping semen. One or more pups over the age of 14 days is considered a successful breeding. All vets advise that low litters are the responsibility of the bitch.
- Our studs fertility and motility are checked prior to every shipment of semen. Your success is critical to our success and the success of our stud. We want you to be successful. Not only do you get quality semen shipped to you, you get free consultation concerning breeding strategy, timing of breeding, type of breeding.
- Nobel has complete DNA panels from Animal Genetics and is on file with AKC.
- Nobel has three-generation pedigrees for your review and is on file at AKC
- We guarantee to ship semen on the prescribed day once we commit to you.
- We ship using Federal Express and will ship overnight am, with upgrades to 10:30 where possible at breeders expense. We also suggest picking it up yourself when convenient. This also ensures semen is as fresh as possible to give semen longer to fertilize the eggs.
